EDUCATION

B.Tech Computer Science
International Institute of Information Technology, Naya Raipur, India

08/2016 - 11 / 2019   *6.7 CGPA*

PROJECTS

Fraudulent Detection of Anonymized Sensitive Transactional Data (07/2019 - 11 / 2019)
- Fraud detection is a complex issue and requires a major modification. We are trying to provide better accuracy by combining adaptive mining and neural network approach.

Handwritten character generation for Indian Languages using GAN (01/2019 - 06/2019)
- Trained a deep learning model which can mimic one's handwritten style for Indian languages like Hindi and Telugu using GANs.

Parkinson's and Alzheimer's proteins Relation Mining in literature (07/2018 - 12/2018)
- Collecting all the proteins related to Alzheimer's and Parkinson disease based on their protein id's (provided by research lab) which is being mined on the PubMed website, thereby generating a network.

E-commerce website : naivedyasweets.com (08/2018 - 10/2018)
- A live project, minimalistic design with gathered requirements.

Hand Gestures Robotic Arm using Raspberry Pi via Android App (01/2018 - 06/2018)
- As the title suggests this prototype's working while it's purpose is to help disabled person.

EXPERIENCE

Web Development
Entrepreneurship Cell, IIIT NR

06/2018 - 06/2019   *India*
International Institute of Information Technology, Naya Raipur E-CELL.

- Developed & monitored a website to make aware and influence people about the ongoing entrepreneur events.

Design & Promotion Head
Technovate 2018 & 2019, IIIT NR

10/2017 - 06/2019   *India*
International Institute of Information Technology, Naya Raipur Techfest.

- Mentored and trained students for promoting the genuine content for targeted customer using Digital Marketing.

SKILL

C / C++   Data structures & Algorithms   JAVA
Django Framework   Problem Solving   Python
LINUX   Git

ACHIEVEMENTS

Winner of Application Development Competition (2017)
Contest held in Technovate 2017 (College Fest). Contribution : User Interface designing and backend development using firebase.

Among the top 10 students who qualified for JEE Main Architecture (2015)
For B. Planning aspirants, this exam include aptitude and mathematics sub-sections where Aptitude is a key factor.

CERTIFICATES

Java Certificate (2020)
Hackerrank

Seminar on Symposium on Data Science and Business Analytics (2017)
By Prof. Dr. ArtusKrohn-Grimberghe, University of Paderborn ,Germany

KNOWN LANGUAGES

English
Professional Working Proficiency

Hindi
Full Professional Proficiency
